

Kids Unlimited is a hidden gem offering instruction and performance for Tucson's young singers, dancers, actors and even those inspiring to play the lead in a Broadway musical. And if you haven't heard, the Musical is back! Celebrating over 24 years in business, KU, as it is affectionately known, is a secret that cannot be kept much longer.

With the primary purpose of providing Tucson youth with an opportunity to exhibit their individualism through the performing arts, KU is committed to providing a safe stage for all of those who love to perform. The goal of Kids Unlimited is to build confidence and self-esteem in all of their young performers. Kids Unlimited gives them the chance to express their creativity as they blossom into inspired and successful young adults.

Many of the performers in Kids Unlimited come to the program because they have talents that simply must be displayed and cannot be ignored. Others join to explore the performing arts and engage in positive socialization with their peers. Whatever reason brings them to KU, one thing keeps them coming back... the fun!

What Makes KU Studios Different?

The heart of Kids Unlimited is the unique performance classes. KU offers five levels of performing classes providing a diverse combination of dance, musical theatre, voice and drama. From little Sparkling (preschool) to K-Star (advanced placement). You can experience our Performing concepts by enrolling in one of our Song and Dance classes as a prerequisite to KIDS UNLIMITED.

Performing Opportunities

Yes, these kids perform all over town giving them that chance to shine. Kids Unlimited serves their community by performing for charitable organizations as well as entertaining at retirement and nursing homes, community festivals and local events. In an average year, KU performers will participate in over five thousand hours of community service. But that is not all! The performing and dance groups come together twice a year to perform in front of a 500 seat theater showcasing all of their skills and thrilling a sold out audience each time.

You were looking for something unique, something to keep the little ones active, something affordable, little did you know you would also find something that would have an impact on your community!

Kids Unlimited invites you to come see their new studio featuring two large dance rooms at **6066 North Oracle** at the corner of Oracle and Rudasil and join their group of shooting stars.

Spring Semester 2010
