Dance Levels

Level 1. A joyful introduction to the dance form and elements of body, space, time and energy. Children learn, explore, create, and share.

Level II and III. is for the student who has demonstrated a readiness for a higher level of work and exploration. Children will explore the element of the day and work on this element through technical exercises and movement across the floor.

Level IV-V. A continuation of level III and is for the student interest in the technical, creative, and performing aspects of the dance form.
