Dear KU Members and Parents:

Kids Unlimited has a tradition of having a raffle/silent auction at our shows. We would like to continue this at our November Show.

We are asking each member to try to get a donation of a NEW item. We are trying to do themed baskets that would have universal appeal. Pick your favorite thing and share it with the KU audience. Here are some ideas:

- Movies: DVD's, tickets, movie posters, gourmet popcorn
- Food: Cookbooks, secret family recipes, dining gift cards
- Music/Dance: CD's, iTunes gift cards, KU related items
- Reading: Books, bookstore gift cards,
- Games: Board games, electronic games, gift cards for local attractions, sports related items

Or you can create your own unique gift basket, or get together with other families in your child's class and create a basket.

*Turn your prize into the receptionist or place it in the office. Please fill out the form below or one in the office noting the donated item, the KU member making the donation, who should receive credit for the item and the estimated value. It isn't always clear to us whether the donated item was purchased by the KU member or whether a business donated it. We really want to recognize the person or entity financially responsible for the donation so please take the time to clarify this. The donors will be recognized in the Show Program.*

*Your donation is tax-deductible. KU Studios, Home of Kids Unlimited is a non-profit performing arts organization.*

Thanks for your help!
