Dear Families,

Motown-The Experience is fast approaching and we are so excited. Your children and their hard working teachers, are working very hard. Please take a moment to commend your children and their efforts. They are so passionate about their show.

Attached you will find our schedule for show week, which begins Sunday November 8th. We are going to run the rehearsals for this show like we did in the Spring. We will be running the show in order from the beginning of the rehearsals. Again there will be two dress rehearsals, so please review your costume letter for what your child will be wearing. This is also in show order, so you know when your child will be needed on stage.

Please be on the lookout for daily emails. As we get closer to the show we will have updates regularly with important information. We will start sending daily emails on November 7th. New Parents to KU, if you have questions, email us at kukidsbase@aol.com Sometimes it's so busy during class time that all of your questions may not get answered. If you have questions specifically about costuming, please email Shari at s_obregon@comcast.net

Please arrive to any rehearsals you are scheduled for 10 minutes early so we are ready to start on time. Our tech rehearsal days are start and go so we are unable to give you a specific ending time. If your child is getting tired and you need to leave, please make sure you let staff know that you are leaving. We understand and appreciate your support during what is a grueling week for our staff.

THEATER WEEK is a very busy week. If your child is unable to attend any of the rehearsals we ask that you let us know by email at kustudiostucson@gmail.com. It will be our goal to make sure your child does not feel overwhelmed should any rehearsal be missed. We recognize that we may be your very first Theatrical Production and we want it to be a positive and learning experience.

If you have any questions please do not hesitate to ask. You can contact me at kukidsbase@aol.com, or call 742-3101. If I cannot answer your questions, I will get you to the correct person.

Keep Singing,

Carol
