Kids Unlimited Community Sponsorships

Dear Community Partner,

This is a special year! Kids Unlimited is turning 35. Along with some special projects, KU's anniversary show is a big one – reprising “100 Years of Broadway” which was a KU hit in the mid-90s. Winter Outreach shows (affectionately called “small shows”) are booked for organizations, including The Salvation Army holiday celebrations, and El Conquistador's annual holiday bash.

To support its ongoing mission of offering the best in integrated dance, music and drama training, KU is bringing back its Community Sponsorships for the 2021-2022 Season! Sponsors at all levels will see their logos featured on our Sponsorship Banner **throughout the year** at our Full Company Show in November, our Spring Recital, and our small shows and special events throughout the Tucson community. **Where KU goes, so go our sponsors!** Their corporate logos will also appear on our website (www.kustars.com) and social media with links to your corporate site.

Platinum Level Community Sponsors (limited to one per Fall Show and one per Spring Recital) will see their corporate log featured prominently on our theatrical poster, show ticket, and program cover, in addition to special recognition at the show's introduction. Platinum Sponsors will also receive a full-page program advertisement of their own design. We are proud to announce a Platinum sponsor that we have a Platinum sponsor for this Fall's show. We still are looking for a Platinum sponsor for This year's 35th anniversary Spring Show. Commit now and get your business logo on the banner for both shows.

At the **Gold** Level, Community Sponsors will receive a ½ page advertisement of their design in both the Fall and Spring show programs.

Our sponsorship fact sheet is attached detailing the different sponsorship levels and recognition opportunities. To become a Community Sponsor, please contact Michael Linton at (520) 241-0809 or via email at MikLin1115@yahoo.com.

Kids Unlimited is a 501(c)(3) nonprofit organization created in 1986 to provide safe stages for kids who want to sing, dance and entertain. Since 1986, founders Carol and Vince Sottosanti, have provided a caring and nurturing environment with an emphasis on positive learning experiences. Donor money at work can be seen every day at Kids Unlimited. And the 35th celebratory year provides the perfect moment for a birthday gift in honor of a local treasure.

Thank you for your support!!!

Carol Sottosanti, Executive Director
