Flowers Pre-Order Form

For those of you who do not know... it is a tradition in the theatre to give your performer flowers at the end of their show. It is just a small way of saying "Bravo" for a job well done.

We at Kids Unlimited want to help make it easy for you!

Kids Unlimited will be selling single roses with baby's breath, as well as fresh flower bouquets, at each performance of "Directors Choice-The Power of Music!" on November 8th & 9th. The flower arrangements are \$5.00 each for the roses, \$10.00 for a medium bouquet and \$15.00 for a large bouquet. This is a wonderful fundraiser for us as we usually have the flowers donated or discounted for this event.

Please complete the following form to pre-order your flowers. Include payment and return to any KU staff member.

It is not necessary to pre-order but it does help the Flower Committee plan for the correct amount of flowers needed for all of the performances.

If you have questions, please call KU Studios #520.293.1225. Thank you!!

.....
