## Flowers Pre-Order Form

For those of you who do not know... it is a tradition in the theatre to give your performer flowers at the end of their show. It is just a small way of saying "Bravo" for a job well done.

### **We at Kids Unlimited want to help make it easy for you!**

Kids Unlimited will be selling single roses with baby's breath, as well as fresh flower bouquets, at each performance of "**Spring Showcase**" on June 10th & 11th. The flower arrangements are \$5.00 each for the roses, \$10.00 for a medium bouquet and \$15.00 for a large bouquet. This is a wonderful fundraiser for us.

### **Flowers Pre-order Sales will be available starting Monday May 9th Online at <https://www.kustars.com/>**

We do not require flower orders to be pre-ordered and we always make a few extra bouquets to sell each show night, but we can not guarantee we will have extra bouquets each night. So if your sure you want a bouquet for your special performer(s) please pre-order online or stop by our flower table prior to June
