Dear KO Studios,

Sending all those boxes of goodies to us here in an office in Kabul, Afghanistan was so appreciated!! The assortment of treats and basic needs, OTC medicines, etc. were all nearly tackled the day that they were all carried inside & opened.

Being an old girl scout, I loved the Girl Scout cookies too! They go great w/hot tea at the end of many 10-16 hour days here. Plus this is the coldest, snowiest winter on record for last 15 years. You are all so thoughtful to us citizens who volunteered

to serve our nation's call here.
