### Hello from the Snack Bar!

Well, it's getting to be that time again to start thinking about the show and snack bar. We thought it would be smart to let all of you know the things that we will be needing for the snack bar during Show Week and the performances. **We would appreciate all of the donations and help you can give. All of the money raised at the snack bar goes right back into KU. The more donations we get, the more money we raise to help children be a part of the amazing programs offered by KU Studios.** It takes a village to put on such wonderful shows!

### Here's a list of a few of the items we need donated.

- 12 cases of water bottles
- Gatorade, small bottles in cases
- Candy bars
- 12 packs of soda, all varieties
- Snack bags of chips, crackers and cookies
- Granola bars with and without nuts
- Hebrew National hot dogs and hot dog buns
- Uncrustables (Costco boxes)
- Costco muffins in all varieties
- Croissants
- Fruit snacks
- Individual trail mix bags
- Large container of Iced Tea mix
- Large container of Lemonade mix

Please let us know what  
your donating

### \*\* ICE- We need bags of ice daily- Every dressing

room has at least 1 cooler, this makes it so all performers have access to cold water bottles at all times, as well the large coolers that keep snack bar items fresh and cold. Unfortunately this is not an item that we can bring in the amount we need for the week ahead of time. Therefore we need a few volunteers to bring in a couple of bags of ice each day we are in the theatre.

**Please consider adding 2 bags of ice to your donations list! Our snack bar team will be very grateful!**

### Volunteer Duties:

We will need help with dinner set up this year too!!!

We will be asking for volunteers to be at the snack bar each day/night shift

Dinner duty for each meal which includes serving and cleaning up the meal.

Working During Intermission Don't miss a minute of the show!

Thank you in advance for your help and donations. You really make this adventure a great experience!!! Please feel free to email me with questions. Or Sign up to help here

Sincerely,  
KU Staff
